*** Are you interested in the option of receiving Continuing Education Unit (CEU) credit for completed CITI Program courses?**

CITI is pleased to offer CE credits and units for purchase to learners qualifying for CE eligibility while concurrently meeting their institutions training requirements.

CE credits/units for physicians, psychologists, nurses, social workers and other professions allowed to use AMA PRA Category 1 credits for re-certification are available for many CITI courses – with that availability indicated on course and module listings. **Please register your interest for CE credits below** by checking the “YES” or “NO” dots, and, when applicable, types of credits you wish to earn at bottom of page. Please read texts entered for each option carefully.

Yes

At the start of your course, you will be prompted to click on a “CE Information” page link located at the top of your grade book and to VIEW and ACKNOWLEDGE accreditation and credit designation statements, learning objectives, faculty disclosures, types, number and costs of credits available for your course.

☐ Yes

No

The CE functionality will not be activated for your course. Credits and units will therefore not be available to you for purchase after you start your course. You can change your preference to “YES” before such time however by clicking on the “CE Credit Status” tab located at the top of your grad book page.

☐ No

If you picked “YES”, please check below the one type of credit you would like to earn

☐ MDs, DOs, PAs - AMA PRA Category 1 Credits TM
☐ Psychologists – APA Credits
☐ Nurses – ANCC CNE
☐ Other Participants – Certificates of Participation
☐ Social Workers – Florida Board of Clinical Social Work, Marriage & Family Therapy and Mental Health Counseling

*** Can CITI Program contact you at a later date regarding participation in research surveys?**

☐ Yes
☒ No
☐ Not sure. Ask me later

Stage 8. Complete the questions with the **red *** next to them. **Important: Select the correct course based on your research needs.** IRB (human subjects) requires either **Refresher Course** indicated below.

If you are working with human subjects (IRB), select either: **Refresher Course** Biomedical OR **Refresher Course** Social and Behavioral.

If you are working with recombinant DNA (IBC), select: Biosafety/Biosecurity.

If you are working with animals (IACUC), select: Laboratory Animal Welfare.

If you are working on an NSF, USDA or NIH funded project or your PI said you must take "RCR training," select: Responsible Conduct of Research.

If you need both IBC and IACUC courses, select either one; you will be able to add both in the next stage.

Stage 9. In order to enroll in any course, you must answer question 1, Human subject Research, regardless what module you plan to take. Please see the screen shots to guide you.

You must answer **Question 6**. If you aren't taking an RCR course select "Not at this time".

Select Curriculum - Appalachian State University

* Indicates a required field.

You will be provided a series of enrollment questions. Your responses will determine the curriculum for the courses you are going to take. Please read the questions carefully. Please read the responses carefully to make the best choice. Click [here](#) to review the Appalachian State University instructions page.

*** Question 1**

For Laboratory Animal Welfare training, skip to question 5

Human Subjects Research

Please choose one learner group below based on your role and the type of human subjects activities you will conduct. You will be enrolled in the Basic Course for that group.

Choose one answer

☐ Biomedical Research Investigators: Choose this group to satisfy CITI training requirements for Investigators and staff involved primarily in Biomedical research with human subjects.

☐ Social & Behavioral Research Investigators: Choose this group to satisfy CITI training requirements for Investigators and staff involved primarily in Social and Behavioral research with human subjects.

☐ IRB Members: This Basic Course is appropriate for IRB or Ethics Committee members. **←for IRB members**

☐ I have completed the Basic Course. **←for Human Subjects Refresher**
Please go to Question 2.

☐ Not at this time. **←for any course other than Human Subjects**

IRB Stage 9.

Answer Question 2 with either Biomedical OR Social & Behavioral Investigators. The Refresher course does not take as long as other options, it takes approximately 2 hours to complete.

*** Question 2**

If you have completed the Basic Course portion, please choose one learner group below based on your role and the type of human subjects activities you will conduct. You will be enrolled in the Refresher Course for that group.

Choose one answer

 ☐ Biomedical Research Investigators: Choose this group to satisfy CITI training requirements for Investigators and staff involved primarily in Biomedical research with human subjects.

 ☐ Social & Behavioral Research Investigators: Choose this group to satisfy CITI training requirements for Investigators and staff involved primarily in Social and Behavioral research with human subjects.

☐ IRB Members: This Basic Course is appropriate for IRB or Ethics Committee members.

☐ I have not completed the Basic Course.
Please go to Question 1.

IACUC Stage 9.

If you are taking animal research courses, the “Working with the IACUC Course” is the required training. Your PI may also require you to add species specific training. If your species is not listed, you will need to take the AsULearn course, and should email IACUC with your name, the name of the person who asked you to complete the training (your PI) and which course you need (what species will you be working with).

Question 5

Laboratory Animal Welfare

Do you conduct studies that use Lab animals?

1. If YES, then you must complete the Basic course and the appropriate species specific modules.
2. If you are an IACUC Member you must complete the "Essentials for IACUC Members".
3. Choose the appropriate species specific electives according to your research interests.

Choose all that apply

☐ "Working with the IACUC Course" is the required Basic Course if you plan to use lab animals in your work.

☐ If you are an IACUC Member you are required to complete the "Essentials for IACUC Members" course now.

Choose the appropriate species specific electives depending on your work or interests.

☐ If you plan to conduct studies that have the potential to cause "more than momentary pain and distress" in Mice or Rats you should complete the module on "Minimizing Pain and Distress".

☐ Do you conduct major survival surgery or non-survival surgeries in non-rodent species? If you do, the module on **aseptic surgery** is a must.

Species Specific Modules

☐ I work with Mice. Family: Muridae Cricetidae

☐ I work with Frogs, Toads or other Amphibians

☐ I work with Rats. Genus: Rattus

☐ I work with Hamsters. Family: Muridae

☐ I work with Gerbils

☐ I work with Guinea Pigs

☐ I work with Rabbits. Family: Leporidae

☐ I work with Zebrafish. Family: Danio rerio

RCR Stage 9.

If you are taking Responsible Conduct of Research (RCR), select the module that best fits the area of your research.

IBC Stage 9.

If you are working with rDNA you must take the "Training for Investigators/NIH Recombinant DNA Guidelines". Additional AsULearn quizzes may be needed.

Question 7

Biosafety/Biosecurity

Please select the course/s that you need to complete.

Choose all that apply

☐ Biosafety Officer Initial Training Series

☐ Training for Investigators/NIH Recombinant DNA Guidelines

☐ Institutional Biosafety Committee Member Course

☐ Basic Introduction to Biosafety

☐ Biosafety Refresher Course

☐ Animal Biosafety

☐ Shipping and Transport of Regulated Biological Materials

☐ OSHA Bloodborne Pathogens

☐ Select Agents, Biosecurity and Bioterrorism

☐ Emergency and Incident Response to Biohazard Spills and Releases

☐ Human Gene Transfer Trials

☐ OSHA Personal Protective Equipment Training

Stage 9 Final. After you have selected all relevant courses, scroll to the bottom of the page and choose “Complete Registration.” You will be taken to the main menu page, which is what you will see each time you log into CITI.

Additional instruction: The courses you have selected will not appear in you main menu. These courses will be visible each time you log in to CITI.

To start a course, click on the course and proceed. You do not need to complete the entire course in one sitting. CITI will record your progress so long as you complete the quiz at the end of a section. When you complete a course, CITI will send you a completion Report and the Office of Research Protections will be able to see it is complete on your profile.
